

Partnership Invitation Example

Subject: Partnership Opportunity in Building a Comprehensive System of Care

Date

Dear [Partner's Name or Organization Name],

I hope this message finds you well.

My name is [Your Name], and I am reaching out on behalf of [Your County/SOC Team]. We are currently working to strengthen and expand our System of Care (SOC) to better meet the needs of children, youth, and families in our community—particularly those experiencing behavioral health challenges.

We believe that sustainable, effective support systems are only possible through collaborative, cross-sector partnerships. With your organization's commitment to youth development, comprehensive services, and family support, we see a valuable opportunity to align our efforts and create a more coordinated, responsive network of care.

I would welcome the chance to speak with you about how your organization might participate in [Your County] System of Care and help shape a more integrated system that promotes wellness, equity, and positive outcomes for all involved.

If you're open to a brief conversation, I'd be happy to schedule a time that works best for you. Please let us know your availability, or feel free to contact me directly at [Your Phone Number] or [Your Email Address].

Thank you for the work you do and for considering this opportunity to collaborate.

Warm regards,

[Your Full Name]
